Current Medications	Please list name, dose & time(s):		

***** BCS Needs Authorization to Dispense Medication. Regulations outlined in the Nurse Practice and State Education Law restricts the dispensation of medicine, even Tylenol, to students. If parents submit a written request to school authorities, accompanied by written authorization from a physician, then medicine can be given. The physician's note must indicate the frequency and dosage of the medication, and the nurse must have both parental and doctor authorization before the medication can be dispensed. In addition, the medicine must be delivered to the school nurse by the parent, not the child. Do not allow your child to bring medication on school grounds, including on the school bus. The temptation to "share" a single dose can be very dangerous.*****
