

2024 Barker Field Hockey Fall Youth Field Hockey Clinic

The Barker Field Hockey program will offer a clinic, open to all girls in going into grades 3-6. The clinic, run by Barker Field Hockey players and coaches, will give these young athletes the opportunity to learn how to play field hockey and develop their skills. All clinic participants will receive a clinic shirt. Please make checks payable to Barker Field Hockey.

Location:

The clinic will start each evening on the grass Modified Field Hockey near the concession stand, then transition to the turf as it becomes available. In the event of poor weather conditions, we will move into the High School gym.

Dates & times:

Wednesday September 4th, Wednesday September 11
